Dear Parent & Pupil,

Welcome to Dorothy Barley Junior Academy!

Our school is a caring and aspirational community. We believe that every adult and child in the school are precious - equally valued no matter what their race, sex, creed, religion, social background, physical or intellectual achievement.

We believe our school is special - a happy and safe environment in which our children can grow and develop into confident and successful young people.

We care deeply about the quality of education and support we provide and hold a variety of nationally recognised awards.

Ofsted 2017 noted that our 'pupils are making good progress in all subjects' and 'have positive attitudes to learning. They behave well, work hard and are keen to succeed'

Our school is a school where: *'Children are valued as individuals within a caring atmosphere and there is a celebration of the cultures of all the school's pupils in order that they feel understood..'* *IQM Centre of Excellence report 2017*

We look forward to having you as part of our family.

If you have any concerns do not hesitate to contact us.
