Message from the Headteacher

Dear Children, Parents & Carers,

We want to wish you all a happy half term holiday and hope that you are all well. It has been an interesting half term at DBJA and it has been truly wonderful to have all of the children back. The children have settled into the new routines well and have shown themselves to be eager and ready to learn. We have been so impressed with them and wanted you to know how proud we are of them all. These are challenging times for everyone and the resilience and positivity shown by the children has been a joy to see. We have been especially impressed with our new Year 3 children who were not able to take part in any of our usual transition work before the Summer and yet have settled in so well it is hard to believe that they are new to the school this year!

We would also like to thank the many parents and carers who have helped keep us all safe by adapting to our new Covid secure rules and routines. To every parent and carer who wears a face mask, and to every parent who recognises the importance of social distancing and 'remote' parent meetings, we thank you. You are helping us keep your children and our community safe. As we go into the half term with Tier 2 restrictions in place it is important we remember to check the guidance in the link: <https://www.gov.uk/guidance/local-covid-alert-level-high>

Please help keep our school open and your children learning by following Government guidance.

Black History Week - Monday

This year we celebrated Black History Month with each year group focusing on individual countries. This was great as it gave a wider scope of learning rather than focusing on particular individuals. The children were also able to learn about current events including the 'Black Lives Matter' protests over the summer. It was a fun week which all children enjoyed.

Year 5 - MyBank Workshop

Year 5 have been learning about money and how we can save it. We have learnt about debt, interest and saving strategies.

Year 3 - Stone Age Day - Friday 23rd October 2020

Year 3 have ended the term with a fun filled Stone Age Day. As part of their history topic, the children spent the day crushing berries to recreate how people in the Stone Age made paint. They then used the paint they made to put together a Stone Age mural. The children have also been able to create their own Stone Age villages and tools from natural outdoor materials used at the time such as rocks and sticks.

We have been amazed by the creativity, effort and teamwork which has clearly gone into the home-work and family projects this term. Many of the constructions have been truly astonishing. It is very important that you encourage your child to read at least 5 times a week. Evidence suggests that **children** who **read** for enjoyment every day not only perform better in **reading** tests than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures. To encourage home reading we are introducing new 'Bug Club' Reading Awards. This term's winners are: **Beech** - Seraiah, Dovydas & Natalie

Celebration Assembly

Well done to all the remarkable readers, marvellous mathematicians and homework heroes who were awarded certificates and prizes in our first 'virtual' celebration assembly this week. It was so lovely to see that, in spite of the extra challenges doing anything right now brings, children and their families are as committed as ever to supporting learning at home. Therefore, in line with our school Catch Up Plan we will also be sending home half term homework to support your children during the holidays. We know that children do need some downtime over the half term break but are asking all parents and carers to support them in the half term homework challenge. We still have much lost learning to make up for!
