1.0 Introduction

Dorothy Barley Junior Academy is a caring school which aims to create a stimulating, learning environment in which every individual has the opportunity to be the best they can be. At Dorothy Barley Junior Academy we believe staff, parents and children are entitled to a safe and protective environment in which to learn and work. Behaviour that will cause harassment, alarm or distress to users of the premises is contrary to the aims of the school. We expect all in our school community to uphold our **Learning Values** of:

Trust, Respect, Resilience, Acceptance, Kindness, Self-Worth

2. Aims of this policy

- That all members of the school community treat each other with respect

2.1 Expectations of Parents/Carers:

- To respect the caring ethos and values of the school
- That both teachers and parents need to work together for the benefit of their children.
- Approaching school staff for help to resolve an issue is done in an appropriate manner
- All members of the school community are treated with respect using appropriate language and behaviour.
- The school needs to work with a child in order to clarify their version of events in order to bring about an appropriate solution to an issue.
- To correct their child's actions especially where it could lead to conflict, aggressive or unsafe behaviour – both on and off the school premises.

- To use other strategies rather than using 'staff' as threats to admonish their children's behaviour.

In order to support a peaceful and safe school environment the school will not tolerate parents, carers or visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with any of the school's operation or activities anywhere on the school premises.
- Any inappropriate behaviour on the school premises, including pushing, the use of aggressive hand gestures/exaggerated movements, shaking or holding a fist towards another person, hitting e.g. slapping, punching or kicking
- Using loud or offensive language or displaying temper either in person or over the telephone
- Threatening, in any way, a member of school staff, visitor, fellow parent/carer or pupil.
- Damaging or destroying school property.
- Sending abusive or threatening e-mails or text/voicemail/phone messages or other written communications to anyone within the school community.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites.
- The use of physical or verbal aggression/threats towards another adult or child. This includes physical punishment against your own child on school premises.
- Racist, homophobic, ageist, disablist or sexist comments
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking, spitting, taking illegal drugs or the consumption of alcohol on school premises.
- Dogs being brought on to school premises (other than guide dogs). Should any of the above occur on school premises the school may feel it is necessary to take action by contacting the appropriate authorities and/or sadly, consider banning the offending adult from entering the school premises.

Note: All parents or carers are responsible for ensuring they make all persons responsible for collecting their children aware of this policy and its contents. Please also note that this is not an exhaustive list but seeks to provide illustrations of such behaviour the school deem unacceptable.

Unacceptable behaviour may also result in the local authority and the police being informed of the incident.

Please note that incidents such as the above will be logged and will be reported to the Chair of Governors and Local Governing Body.

2.2. Use of Social Media

Inappropriate use of Social Network Site Social media websites are being used increasingly to fuel campaigns and complaints against schools, Headteachers, school staff, and in some cases other parents or pupils.

The Department for Education/Government and Governors of Dorothy Barley Junior Academy consider the use of social media websites being used in this way as unacceptable. Any concerns you

may have about the school or your child/children must be made through the appropriate channels by speaking to the class teacher, a Senior Leader, the Headteacher or the Chair of Governors, where they will be dealt with fairly, appropriately and effectively for all concerned.

2.3 Libellous or Defamatory posts

In the event that any pupil or parent/carer of a child/children at Dorothy Barley Junior Academy is found to be posting libellous or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report contact or activity which breaches this.

The school will also expect that any parent/carer or pupil removes such comments immediately.

2.4 Cyber Bullying

We take very seriously the use of cyber bullying by one child or a parent to publicly humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying. The school will also consider its legal options to deal with any such misuse on social networking and other sites.

3. 0 Banning Parents and Other Visitors from School Premises

A school may consider that aggressive, abusive or insulting behaviour, or language from a parent presents a risk to staff or pupils. It is enough for a member of staff or a pupil to feel threatened. In such a circumstance, schools have a power in common law to bar the parent from the premises.

Section 206 of the Education Act 2002 makes it a criminal offence punishable with a fine of up to £500 for a person to trespass on school premises and cause a nuisance or disturbance.

Parents and some other visitors normally have implied permission to be on school premises at certain times and for certain purposes and they will not therefore be trespassers unless the implied permission is withdrawn.

If a parent or other person behaves unreasonably on school premises a letter should be sent to them withdrawing the implied permission for them to be there. Model letters are set out in Appendix 2. The initial letter should be sent by the Headteacher unless he or she has been personally involved in an incident and would prefer the letter to be sent to the designated person on behalf of the school or Trust.

If a person who has been banned subsequently trespasses and causes a nuisance or disturbance the matter should be referred to the Head of Legal Services who will write a warning letter.

Further breaches may lead to prosecution of the person concerned by either the Police or the Head of Legal Services.

It is important throughout this process that full records are kept of each incident, including details of any person(s) who witnessed the behaviour of the trespasser(s) since evidence will need to be provided to the Court (See Appendix 1).

Anyone who is dissatisfied with the ban and wishes to object against it should be referred to the school's Complaints Policy. This allows for an independent investigation to be carried out by the

Trust on behalf of the Chair of Governors. If the complainant remains dissatisfied after the investigation, there is recourse to the Governors' Complaint Panel.

School is not responsible for organising arrangements for children in the above circumstances. Parents will need to provide alternative arrangements for bringing children into school.

3.1 Unacceptable behaviour may result in the Police being informed.

The school reserves the right to take any necessary actions to ensure that members of the school Community are not subjected to abuse. Parents have the right of appeal by writing to the Chair of Governors within ten days of permission to enter the school premises being withdrawn.

4.0 Responsibilities:

It is the responsibility of the Headteacher and Governors to monitor and review this policy.
