Introduction to Dorothy Barley Junior Academy & REAch2

Dorothy Barley Junior Academy (the School) is a primary academy located at Ivinghoe Road, Dagenham RM8 2NB and is part of REAch2 Academy Trust (the Trust).

Dorothy Barley Junior Academy serves a richly diverse community and we believe that our children learning by talking, listening and doing. Our aim is to provide a rich, structured and caring environment, which offers a varied and balanced curriculum, often based on first hand opportunities to learn. The school also has an additional Resource Provision which caters for pupils with Moderate Learning Difficulties- admission to that unit is managed separately by the Local Authority's Education Health Care Team.

More information about the School is available on its website: www.dorothybarleyjunioracademy.co.uk

The Trust is the admission authority for all schools within the REAch2 family. The arrangements, set by the Trust are in accordance with the [School Admissions Code](#) and the [school admission appeals code](#). The Trust's aim is to ensure all of its academies have simple, consistent admission arrangements that focus on serving the local community and reflect the Trust's vision and values.

The Trust has developed this policy in full compliance with the Equality Act 2010. The Trust recognises and adheres to its responsibilities under the Equality Act 2010, especially in relation to children with protected characteristics.

More information about the Trust is available on its website: www.reach2.org

Definitions & Interpretations

The following definitions apply for the purposes of this policy:

EHC Plan – An education, health and care (EHC) plan for children and young people aged up to 25 who need more support than is available through special educational needs support. EHC Plans are prepared under the Children and Families Act 2014. They identify educational, health and social needs and set out the additional support to meet those needs.

In-Year Admission – An in-year admission application is one that is made outside of the normal admissions round, for example when a family moves house part way through a school year or is for admission into a year group other than year 3.

Oversubscribed – Having more applications than available places.

PAN – Stands for “published admission number” and is the number of pupils the school will admit in to Year 3.

Parent – Means a natural or adoptive parent of the child, as well as a person who is not the natural or adoptive parent of the child, but who has care of the child, or parental responsibility for the child. This is the legal definition of a 'parent' in education law.

Home address – The address at which the child resides on a permanent basis or is ‘ordinarily resident’. This is generally, the address of the Parent. In some cases, children may be ‘ordinarily resident’ for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where the child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application will be processed on the basis of the address where the child resides for the majority of the school week and proof of residence and address arrangement will be required with the application. The child must be living with the parent, relative or carer for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be considered childcare arrangements, and the child will be deemed to not be ‘ordinarily resident’ with that person. In all cases, we expect the adult with whom the child is ‘ordinarily resident’ receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

Summer born children – Children born between 1 April and 31 August.

Policy In Detail

The published admission number (PAN) for Dorothy Barley Junior Academy is 120 pupils.

The School will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, the Trust will offer places at the School to all those who have applied.

Applications in the 'normal round' (that is the main cycle of applications for Year 3 places from the beginning of the school year) are administered on behalf of the Trust by London Borough of Barking and Dagenham in accordance with the local coordinated scheme. [Moving to junior school | London Borough of Barking and Dagenham \(lbbd.gov.uk\)](https://www.lbbd.gov.uk/moving-to-junior-school)

Oversubscription criteria

When the School is oversubscribed (that is, there are more applications than places available), after the admission of any pupils with an EHC Plan that names the School, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children and previously looked after children
2. Children with one or more siblings in the School
3. Children transferring from Dorothy Barley Infant School
4. Children of School staff fulfilling a skills shortage role
5. Other children, with priority for admission given to those whose home address (as defined by this policy) is the shortest distance from the School. Children in this criteria will be ranked in order of distance.

Definitions relating to the criteria

1. A 'looked after child' is one who is (a) in the care of a Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of its social services functions, in England.

A 'previously looked after child' is one who (a) was looked after in England, but ceased to be so because they were adopted, or became subject to a child arrangements or special guardianship order, or (b) appears to have been in state care outside of England (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider, whose sole/main purpose is to benefit society) but ceased to be so as a result of being adopted.

Applications in this category may need to be supported by documentary evidence such as a signed letter from the child's current or former Social Worker confirming their status, and/or an adoption, child arrangements or special guardianship order. In the case of children adopted from state care outside of England, evidence of having been in state care outside of England and of being adopted may be required, ideally accompanying the application.

When considering the evidence provided, the DfE's current guidance will be followed. Where the Virtual School Head (VSH) at the Local Authority has already verified the child's status and LPS is able to confirm this with them, there will be no need for evidence to be provided with the application.

2. 'Siblings' – For applications made in the normal admission round a sibling means a brother or sister, legally adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who attends the School at the date of application in any year group excluding the final year. Biological and legally adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. For in-year applications a sibling is a brother, sister, legally adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address as a child who attends or has been offered a place at the preferred school at the time of application and determination and with a reasonable expectation that the sibling will be attending at the time of admission.
3. Dorothy Barley Infant School is a named feeder school for Dorothy Barley Junior Academy. The school admissions code allows children in year 2 at {enter name of school} to receive prioritisation for a place in year 3. This is not an automatic transfer and all children will need to make an application via the Local Authority.
4. This criterion only applies in relation to staff, whether teaching or non-teaching, with a permanent contract to work predominantly at the School (not Trust employees in the REAch2 cluster or central teams). The application of this criterion will be subject to confirmation by an independent Trust non-executive that, on the evidence available, the member of staff has been recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the School Headteacher when applying for a place under this criterion. The Headteacher will provide a letter to the Trust and Local Authority Admissions Team confirming the staff members' permanent employment. For the purposes of this criterion, 'children of School staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed at the School
5. "Distance" means the distance between the home address and school. Distance is measured using ESRI's geographical information system, from the centre of the home address to the school's main gate.

Tie Breaker

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the School is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide as measured above.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

Deadline for Applications

Applications for admission into Year 3 as part of the normal admissions round must be submitted by 15th January. Applications received by the Local Authority after this date may be considered as late applications.

Children with an EHC Plan

Children with an education health and care plan (EHC plan) are admitted to the School under separate

statutory procedures managed by the child's Local Authority, and not under this policy.

Where a child with an EHC plan which names the School will be admitted in the 'normal admission round', they will be allocated places in Year 3 before other applications are processed, which will reduce the number of available places within the PAN. At all other times, the child will be admitted even where this means exceeding the PAN.

Admission of children outside their normal age group

In all cases where parents want their child to be educated outside of their chronological age group, an application should be made in writing to the school office at the same time as the application for a place. This should explain why the parents wish for their child to be educated outside of their chronological age group and enclosing any evidence that you wish the school to consider.

Parents will be notified of the decision on their application for admission outside of normal age group in writing once it has been made. This decision will be based on the circumstances of the case and what is in the best interests of the child. The committee will take in account all of the factors set out in paragraph 2.19 School Admissions Code 2021. This decision as to whether or not to agree or refuse the request is separate to the decision on whether a place is granted. If a request is refused, parents will be notified in writing with the reasons provided; there will be no right to a statutory appeal, however, a complaint may be submitted under the school's complaints policy.

We recommend that parents contact the school to discuss admission within the admission round of the child's chronological age group. This enables the school to assess the best interests of the child and discuss how the curriculum may be tailored to meet their needs within the chronological age group.

Waiting Lists

Where the school receives more applications than there are places available, a waiting list will operate until the end of each term, after which parents/carers must re-apply for a place. The waiting list will be maintained by the London Borough of Barking & Dagenham and it will be open to any parent or carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. For more information please visit [Admissions interest list | London Borough of Barking and Dagenham \(lbbd.gov.uk\)](https://lbbd.gov.uk/admissions-interest-list/)

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria (not by date in which the child's name was added). Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Parents have a statutory right of appeal to an independent admission appeal panel against the refusal of a place at the School for their child. Admission appeal panel hearings are conducted strictly in accordance with procedure and criteria set out in the School Admission Appeals Code 2022, which is accessible on the Department for Education's website:

Withdrawing Places

In certain circumstances the Trust may decide to withdraw a place offered if one of the following circumstances occurs:

- Where a parent has not responded to the offer of a place, even after chasing;
- Where fraudulent or intentionally misleading information is used as part of the application; or
- Where the offer has been made in error.
